Grant Requirements:

In conjunction with the above referenced school, the grant for training will be given to qualified applicants for up to a maximum lifetime benefit of five hundred dollars per person for tuition only. Applicants are responsible for any textbook or additional fees required by the school. A complete breakdown of costs will be provided to you in advance of your acceptance of the grant should you be awarded so. If you are awarded a grant, you will be responsible for any state or federal income taxes applicable (a 1099 will be issued to you by Feb 1st following the year the grant was made). The grant will be paid to the school directly (as a credit) toward your tuition fee – no portion of it will be paid to you directly or refunded should you drop out of the licensing program (or fail to complete it for any reason including the Home Staging Program). If you drop out of the program or change your mind, there will be no refund of any money you paid or any portion of the grant awarded. There are no exceptions to this refund policy and this supercedes any refund sections provided for on the school's website, printed materials or elsewhere. There will be no financial penalty assessed should you drop out either. Grant applications received after the start of the program are not retroactive, they must be received prior to starting. You have up to 2 years to complete the program, otherwise any fees paid will be lost and any time spent will be invalidated. You cannot upgrade to a more expensive package if you accept a grant and no Android Tablet will be included. Since this is part of a NY State licensing series, please do not submit an application for a grant if you have ever been convicted of a misdemeanor or felony anywhere in this state or elsewhere. The 75 hour course must be successfully completed first, then the Home Staging Program & remaining portions (in this order).

Applicants that receive a grant will have to pay their entire portion up-front and cannot split up payments. For example, if you accept the grant then sign up for the Basic Package/Home Staging Program (and you are awarded the maximum amount), the math would be as follows:

\$475 Basic 75 Hr Course + \$299 Certified Home Staging Program + \$99 Contemporary Issues (10 hrs of NYS approved credit) = \$873 - \$500 (grant) = \$373 plus textbook (\$25.00) = \$398 due from applicant. As part of the grant application, all applicants must include a written statement explaining how or why he or she feels they would contribute to the field of real estate - the statement must be a minimum of 100 words. You will be notified by email of the status of your application within 10 business days. Grant recipients cannot start until full payment is made to the School in the form of cash, check or money order only.

I certify that the information provided herein is accurate and complete. I also understand the financial consequences should I later change my mind if I am awarded a grant. I know that I am not under any obligation whatsoever by submitting this grant application and that incomplete applications will not be processed.
