The minimum passing grade for the school and state exam is 70%. Please note: if you attend one evening there is a maximum of 50% you may be refunded – two or more evenings result in no refund should you change your mind. Lost or replacement certificates require a \$30 fee. We offer a review course for \$225 which includes all materials but you cannot re-take the school exam – tuition for the review program is for 3 months only.

Full tuition is valid for 6 months – after this, a reactivation fee of \$225 applies to extend for an additional 3 months (but you must do so within 6 months of your last active tuition or you'll need to pay the full tuition again). You can only extend tuition ONE TIME – after this you need to repay in full. Day class option is \$640 if paid with cash, check or Zelle (add \$25 for any form of plastic for convenience charge).

Effective January 9, 2020 the textbook fee if purchased separately is \$49.

➤ If I sign up for the DAY PROGRAM can I also take evening sessions to finish more QUICKLY ?	Yes	No
➤ Do you have instructors with various specialties teach various segments to bring in their specialized first-hand knowledge into the classroom?	Yes	No
➤ Some schools are located at very busy intersections (where you sit in traffic for LONG periods of time) is that an issue here?	No	Yes
➤ Do you offer affordable national designation programs that represent useful credentials to help me stand out from all the other new agents in the field?	Yes	No

How does WNY School LIVESTREAM CLASSES DIFFER FROM CLASSROOM?

There is NOTHING different! Ask about our TRY it Before you Buy it and see for yourself!

>The teacher is live – the students are live – there's a lot of interchange between the students and the instructor and vice versa
 >We play Wheel of Fortune, Jeopardy, Amazing Race, and all kinds of learning games to reinforce the learning process, there's a lot of review on a WEEKLY basis, there's comradery between the students and the learning is real. Students always have to read their chapters and watch their pre-learning videos to ensure their success on the school and state exam. Our students score nearly 10% higher with our weekly livestream versus classroom statistics from years gone past. We cover all the pages for topics together during the livestream so students are well prepared for the school & state exam.

Please read: If you have **ever** been convicted of any misdemeanor or felony anywhere, please contact the school as there are preliminary things you need to consider before applying for a NYS professional license. Students are encouraged to read the school refund policy located on our web site prior to registration. If you need to finish more quickly, pay just \$30 and come in to do our Instructor-led day sessions (each day equates to one evening class) offered Monday through Thursdays all year long. You can do this to make up sessions you missed OR wait and do it when it loops around again and then there's no fee. Speak to a representative for more information. We encourage you to read the complete brochure for this program for more information. With our modular program you can start ANY evening and complete less than 7 weeks later. For example, if you start on session D, you will complete in the next series on session C. Once we hand you your tablet in class there is no refund. Your tuition is good for TWO year from the date you begin. No more than 2 classes may be missed without the need to make up based on NYS minimum attendance requirements. This mandatory course prepares you to take the NYS exam which is offered weekly in downtown Buffalo. The minimum passing grade for the school and state exam is 70%. Please note: if you attend one evening there is a maximum of 50% you may be refunded – two or more evenings result in no refund should you change your mind. Lost certificates require a \$30 fee. We offer a review course for \$225 which includes all materials but you cannot re-take the school exam – tuition for the review program is for 3 months only. Once you receive your book and materials there is NO refund for those items (including the tablet) regardless of whether opened or not, it will be calculated as part of your refund. You must take the school exam to finish the course and do so within 6 months from the first date you attended or paid. Your school exam can only be taken Thursdays between 9:30am and 2pm. If you'd like to prepay for your continuing education – pay \$120 at time of registration for your 77 hour class and immediately save 26% on the cost of your 22.5 hour online course – ask for more details when you register. If you register for the Certified Green Agent designation program and pay just \$25 but later change your mind, your fee is non-refundable (regardless of whether you start it or not). If you pay the full price for the designation class and change your mind for any reason, your fee is refundable as long as you spend no less than 30 minutes on it.
